

Your First 3 Months of Vocal Training

A simple look at your initial investment in private vocal instruction in the first three months.

FIRST THREE MONTHS
\$698.99
6 private lessons + curriculum access + studio membership benefits

How Your Investment Breaks Down

Month	Subscription	One-Time Fee	Monthly Total
Month 1 (Lesson Kickstarter)	\$199	-	\$199.00
Month 2	\$240	19.99 Software Fee	\$259.99
Month 3 (and subsequent months)	\$240	—	\$240

What's Included

- ✓ 2 private vocal lessons each month (averages ~116.50 per lesson)
- ✓ Early access to AVS curriculum and learning resources
- ✓ Easy priority scheduling
- ✓ Access to studio events
- ✓ Partner and referral discounts

What is a software fee?

The software fee covers the technology we use to manage your lessons and provide access to your student hub. This includes your private lesson portal, where you can schedule lessons and access lesson notes, as well as our student hub, which hosts practice materials and other digital tools to support your learning outside of your in-person lessons.

The **\$19.99 software fee is a one-time charge**, billed during your first renewed month after the 2-lesson Kickstart.
